

MILESTONE ANNIVERSARIES AT FACEY

At Facey, we have a proven culture of longevity among our staff with over 265 years combined experience. More than half of our team been with us for longer than four years and four of those have celebrated milestone anniversaries in 2018: Graham 'Josh' Kendall with 30 years, Sharon Stamatopoulos with 15 years and Matt O'Dea and Rae Weekley with 10 years of service each.

Director Graham 'Josh' Kendall had this to say about his time at Facey. "The development of the Facey Industrial Commercial brand was a real career highlight for me. Initially it was an adjunct to the residential arm of Facey, now a significant business in its own right. Also, celebrating 100 years of Facey in Dandenong was obviously a major highlight."

A common theme that emerges among staff is that it is the people that make Facey a great place to work. "It was clear from the start that this was not just a group of workers, but a real team of people who enjoyed each other's company", said partner, Matt O'Dea.

As the Facey family continues to grow, we look forward to celebrating more milestones with our trusted team.
